Alumni Leadership Conference

An aerial photograph of Seattle, Washington, taken during the "golden hour" of sunset. The sky is a vibrant mix of orange, yellow, and purple. The city's skyline is visible, with numerous skyscrapers and buildings. The Space Needle stands out prominently on the right side. The city is nestled between the water of the Puget Sound to the west and the forested hills of the city to the east. The overall scene is a beautiful representation of the city's urban landscape and natural surroundings.
