Filipino graduates of Harvard write for The Manila Times

by **JAIMER FILAPIL, REPORTER**

Filipinos who graduated from Harvard Kennedy School of Government (HKS) will soon write columns for The Manila Times.

The group, led by former Interior secretary Rafael Alunan and Tony Abad, will share its knowledge on history, and give their two-cents worth on how to rid the government of criminals and corrupt employees and officials.

"We will share our experiences on international relations, especially the current standoff between the Philippines and China," Alunan said.
