Requirements to remain in good standing

 Organizations deemed not in good standing will be removed from the Clubs and SIGs network

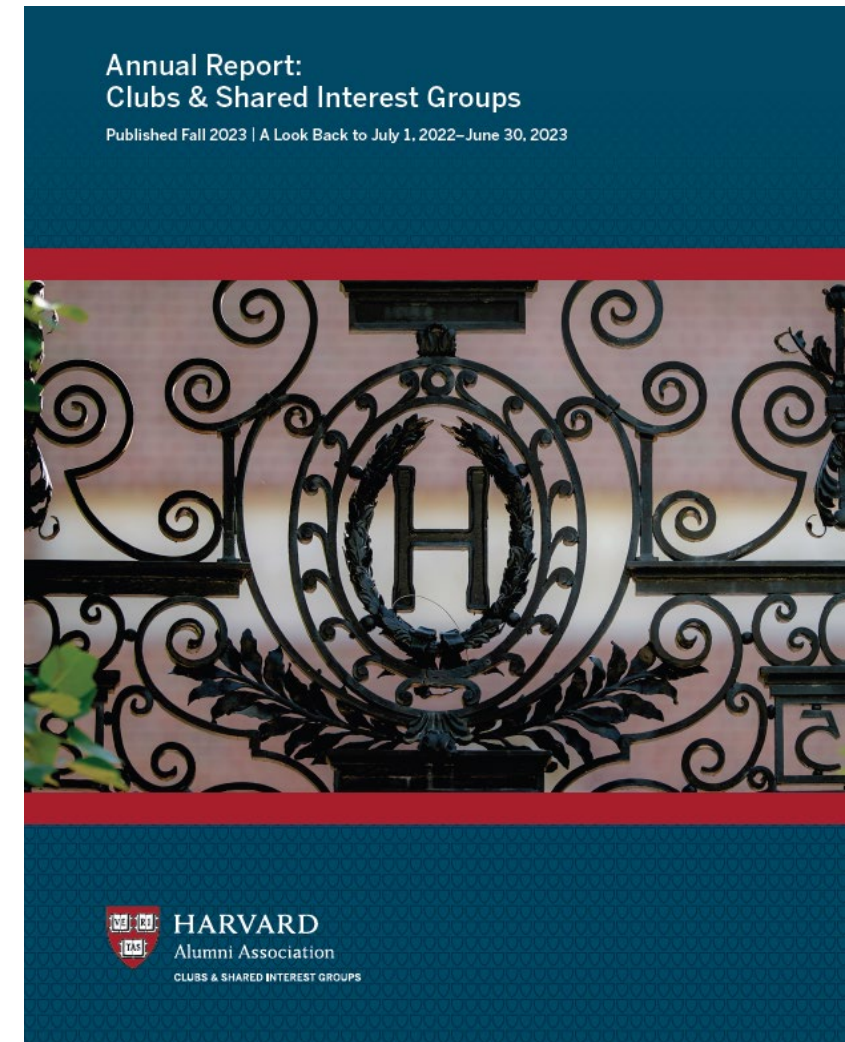

The Annual Report

A **strategic development tool** for Clubs and SIGs to benchmark and set goals for their organization.

- Covers key areas of running a Club or SIG: **Governance, Operations, Programming, Financials,** and **Communication.**
- Is **required** to remain in good standing.

The HAA does not grade or judge the information submitted. You decide how you want to build; HAA staff and your cohort Director can then work with you to help you realize your goals.

Volunteer Leadership Updates

Help ensure that we have current information about the leaders of your Club or Shared Interest Group (SIG) in order to receive Clubs & SIGs communications (e.g., the monthly newsletter, HAA-sponsored programming, and other invitations).

This form can be used to provide us with:

- New or incoming Officers (i.e., President/Co-President, Vice President, Treasurer, Secretary, and other Officers)
- Former or outgoing Officers
- Paid Administrators
- Club or SIG directory listing updates
