Issues & Challenges 2018-2020

- ✓ **Diversity and Inclusion:** Ensure a broad perspective by designing all activities with the right balance amongst age, gender, areas of interests (schools represented) for all voices to be heard and all interests to be met.
- ✓ **Participation of the Harvard Alumni Community:** Mexico will enter an unprecedented transformation given the recent elections results. Civil society will play a relevant role in driving agenda, monitoring and influencing. Harvard Alumni and Programs shall become relevant under these circumstances.
- ✓ **Leverage** existing programs, initiatives and people from Harvard to Mexico to bring significant value to the country around current and future issues.
- ✓ **Engagement and Unity:** Engagement at all levels & unity amongst members and Harvard initiatives in Mexico (One Harvard)
- ✓ **Financial Resources:** Improve transparency, accountability and financial processes to strengthen the Club's finances.
