

HARVARD CLUB of ARMENIA

Est. 2006

Aims

- to bring together Harvard alumni and create a friendly and supportive environment among its members
- promote Harvard University's name in Armenia and to inspire talented and ambitious youth to apply to programmes at the University, as well as to assist them in different ways
- to serve as platform to promote transfer of thought leadership, academic excellence and experience between distinguished professionals and students and young professionals

Main Activities

- Networking events
- Meetings with famous individuals coming from various fields
- Forums for students and young professionals
- Scholarship

Challenges

- Low member engagement in the organized events
- Planning
 - Most of the events occur on an ad-hoc basis
 - Although last year we started having a Board (President, VP, and Treasurer), because of the time-limitations, it is very difficult to organize the Board meetings on a regular basis
- Outreach
- Raising public awareness about the Club and its events
